
A middle-aged man with white hair and glasses is seated at a round table in a restaurant. He is wearing a dark suit jacket, a blue and white striped shirt, and a dark tie with the Roman numeral 'XV' repeated. The table is set with a blue tablecloth, silverware, and a glass. In the background, other tables and chairs are visible. A large light blue thought bubble is positioned above the man's head, containing text. Three smaller light blue circles lead from the main bubble to the man's face.

I don't believe a word of it!

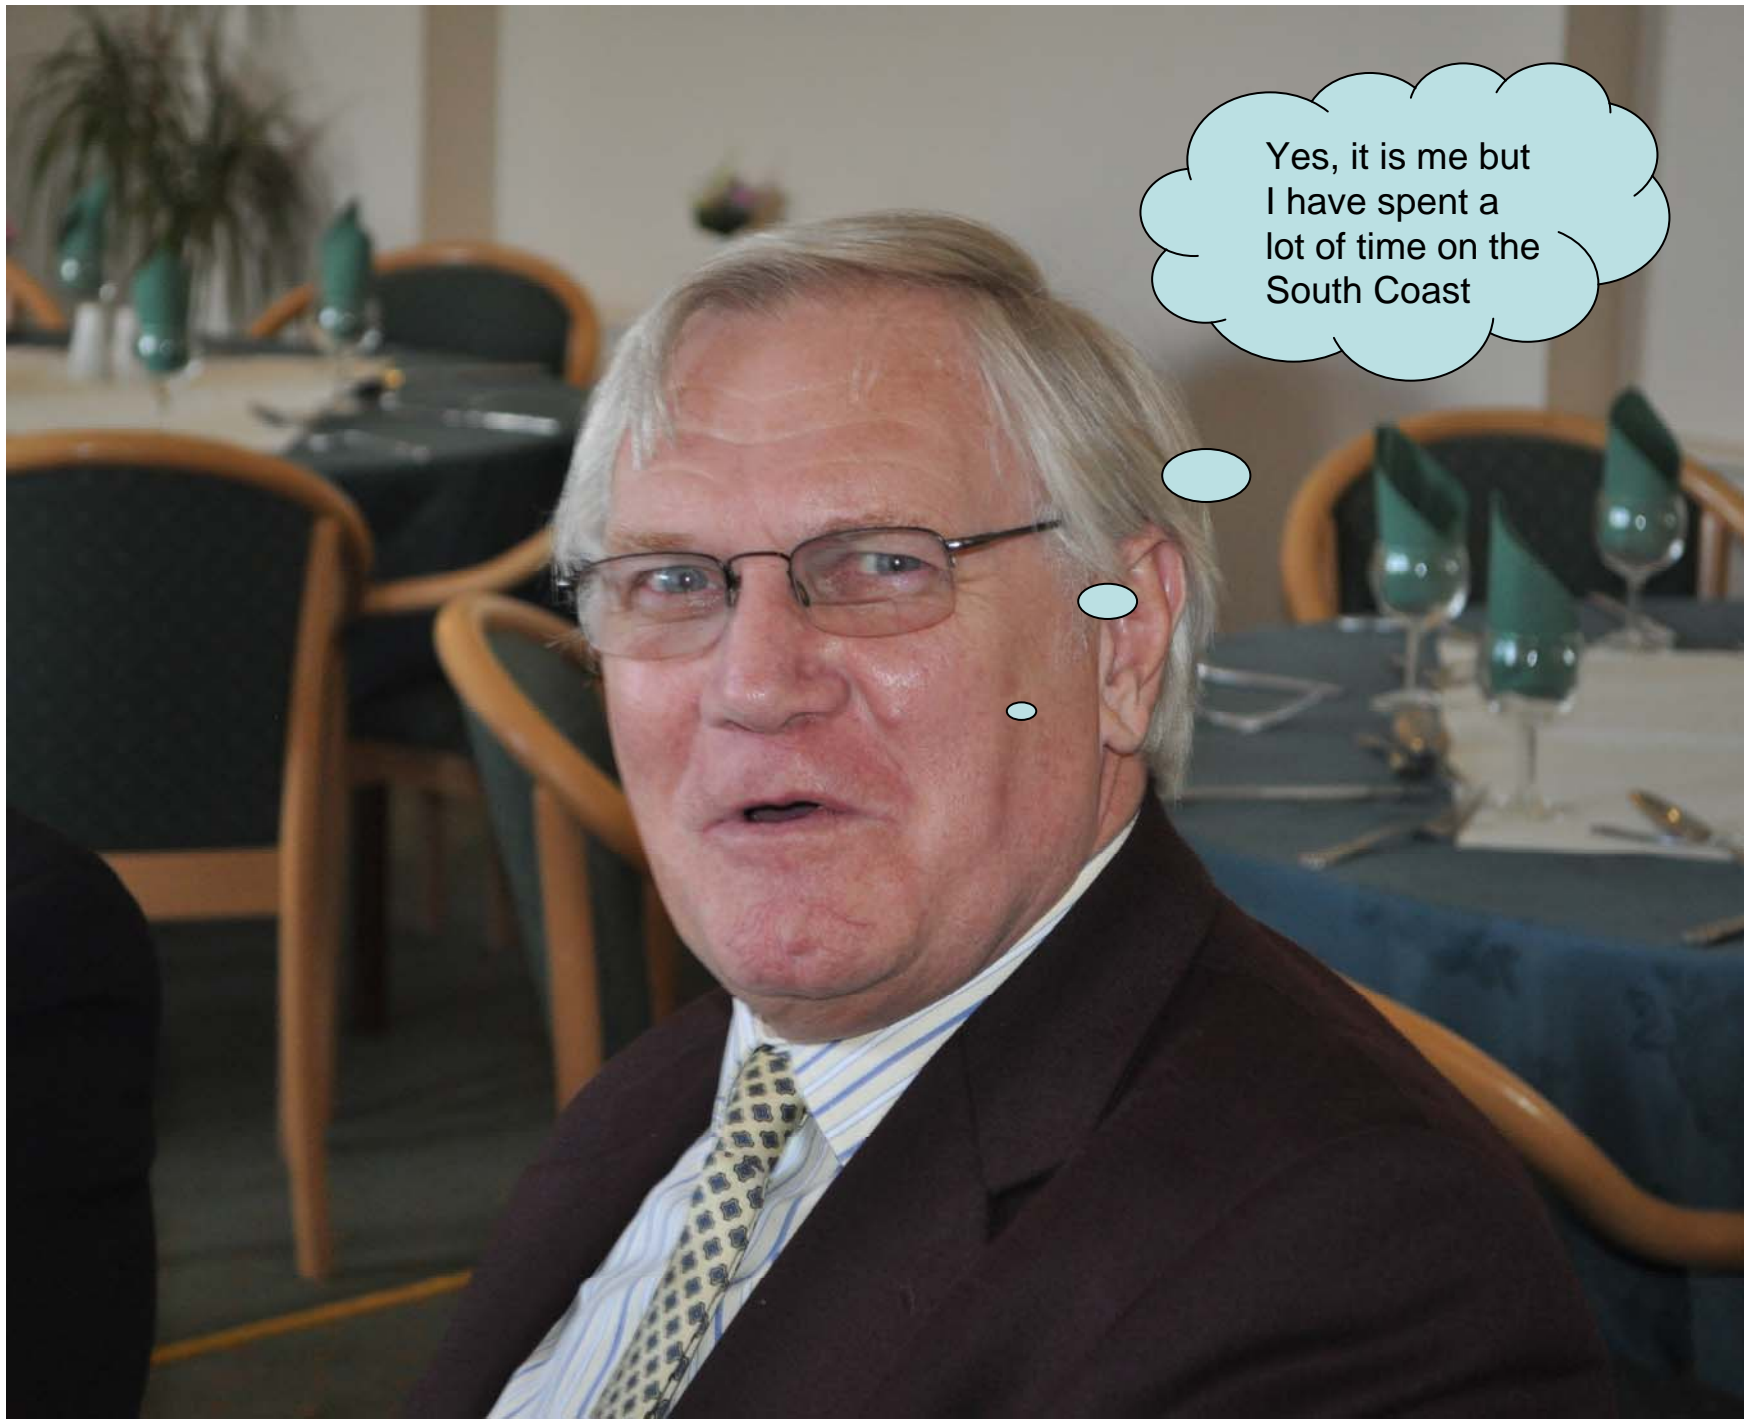

With luck - I
might avoid the

At this stage I was upside down and travelling at 60 miles an hour.
